About Desert Detectives

Desert Detectives is a fun, themed, programme of games, songs, drama, stories and crafts.

Desert Detectives encourages children to dig into the Bible for themselves, rather than expecting other people to tell them about it. Of course, the Bible is not just a great book. Its whole purpose is to tell us about our relationship with God. So as well as looking at the 'big picture', Desert Detectives focuses on certain stories in order to teach specific things about God.

Desert Detectives is open to all P1-P7 children. An experienced team of helpers will do their utmost to provide a holiday activity which will give your child loads of fun in a safe, Christian context.
